## Celebrating Mother's Day Music Concert

The Center for Cultural & Creative Exchange feels honored to be able to hold the music concert to pay respect to all mothers for their endless love and dedication. The (CCCE) asks for your kind support and participation. We anticipate all 450 seats will be sold, and 200 copies of program books will be distributed.

Established in 2019, CCCE is a non-profit organization founded in New Jersey. The mission statement of CCCE is twofold: to help preserve Chinese culture and heritage and to promote unity, harmony, and respect for all demographic groups within the community. Through sharing East Asian culture and art, CCCE provides several culture events annually like: The Dragon Boat Festival, Mid-Autumn Festival, Lunar New Year and many more. Previous festivals dazzled festival goers with beautiful performances and offered a wide variety of food and merchandise stands to visit.
